

## A Note from the Publisher:

*Golf on Cape Cod* magazine has grown to be this region's most trusted source for golf information. *Golf on Cape Cod* is the leader in reaching golfers throughout New England who have that special relationship with Cape Cod, the Islands and Plymouth. The region's local residents, seasonal residents and visitors all look to *Golf on Cape Cod* magazine for information on the courses they play, the places they stay, the people they know – their golf lifestyle.

*Golf on Cape Cod* magazine is not a typical "lifestyle" magazine because it has a special relevance to the golfer, occupying an unchallenged niche in the crowded field of lifestyle publishing on the Cape and Islands. The golfer household universe on the Cape and Islands is large. It is comprised of business owners, professionals, second and third homeowners who are members of the area golf and country clubs.

*Golf on Cape Cod* magazine is a publication that advertisers trust as their marketing partner. No successful marketing strategy is complete without *Golf on Cape Cod* magazine.

---

## Editorial Features

*Golf on Cape Cod* magazine is your most complete source of information on Cape Cod, the Islands, Plymouth and the South Coast.

### The Interview

We profile interesting people who have ties to this region through their passion for golf. From local players both amateur and professional, to national figures who have touched Cape Cod and the Islands.

### Course Reviews

The Golf on Cape Cod editorial team visit different private, public and municipal golf courses in the region and give our readers an inside look at what it is like to play that course.

### Breaking the Rules

Here we take a lighthearted look at the rules of golf. We explore some common and some not so common applications of the rules of golf. We test your knowledge of the rules and their interpretations.

### Tap Ins

This is the place to find a wide range of informative items from cool new equipment to what is happening on the local golf scene.

### Travel

Golfers are always looking for places to play. In each issue we travel to a great golf destination and let you know if it's worth the trip.

### Course Directory

Golf on Cape Cod's golf course directory and locator map is a must for golfers to find the course they wish to play. This directory includes slope, rating and par with complete driving directions. This directory is also available online at [www.golfoncapecod.com](http://www.golfoncapecod.com).
